Conference - 2011

Ultrasound in Gynaecology Basics and Beyond

Dates: Saturday, 3rd & Sunday, 4th December 2011
Venue: BMC Auditorium, Bangalore

Pre-conference Workshop in Gynecological Ultrasound

On Friday, 2nd December 2011

At Conference Hall, Upper Basement, Manipal Hospital
HAL Airport Road, Bangalore -17

Greetings from the Department of Fetal Medicine and OBG Ultrasound, Manipal Hospital, Bangalore!

We take great pleasure in inviting you to our biennial conference in ultrasound. This year we have digressed from our tradition of Fetal Medicine Update and opted to focus on gynecological ultrasound.

Pelvic ultrasound has become an imperative part of pelvic assessment in gynecology. Thanks to progressing technology, we now have enhanced imaging modalities, thereby facilitating better diagnosis and maximizing favorable clinical outcomes.

To blend ultrasound diagnosis and management we are privileged to have Dr Hervé Fernandez from France as our international guest speaker. He is a gynecologic endoscopist who incorporates ultrasound into the core of his surgical practice.

In addition we have our distinguished national speakers Dr. B. S. Ramamurthy, Dr. Sonal Panchal, Dr. Nitin Chaubal, Dr. Srinivasan Radhesh and Dr. Jyoti N Chaubal who, with their years of scanning proficiency, will contribute updated and practical information in gynecological ultrasound.

The conference spread over two days is designed to benefit the entry level sonologist, as well as enhance knowledge of the experienced practitioner. It is preceeded by a one day workshop, where a wide range of cases will be presented and discussed, apart from basics and live demonstrations.

We look forward to hosting you for this conference on Ultrasound in Gynecology on 3rd and 4th of December 2011. A two day conference committed to gynecological sonology does not come your way often.

Your attendance and participation is greatly anticipated.

Regards

Dr Mala Sibal

HOD, Dept of Fetal Medicine & OBG Ultrasound

Dr Supriya Seshadri

Conference – Organizing Secretary

| International Faculty Prof. Hervé Fernandez, France | Our Team Dr. Priti Venkatesh Dr. Mala Sibal Dr. Akhila Dilip Dr. Prathima Radhakrishnan Dr. Thankam S. Dr. Supriya Seshadri Dr. Dharani Bai G. |
| National Faculty Dr. B. S. Ramamurthy, Bangalore Dr. Sonal Panchal, Ahmedabad Dr Nitin Chaubal, Mumbai Dr Srinivasan Radhesh, Bangalore Dr Jyoti Chaubal, Mumbai | |

Dr. Hervé Fernandez is Professor in Obstetrics & Gynecology University of Paris and Chief of Department of Obstetrics & Gynecology in Bicêtre Hospital France. His ardent interest and vast knowledge of gynecological ultrasound complements his highly acclaimed endoscopic work. He has a large, well equipped state-of-art ultrasound unit to meet his scan requirements. He is credited with more than 200 articles in international and French journals.

Dr. B.S. Ramamurthy is the Director of Srinivasa Ultrasound Scanning Centre, Bangalore. He has more than 20 years of experience in obstetrics and gynecological ultrasound. He is a coveted speaker at most national conferences on ultrasound. His dedication and vast experience, matched by his oratory skills makes him a most sought after speaker.

Dr Sonal Panchal is a consultant sonologist at Dr. Nagori's Institute for infertility and IVF. Her areas of expertise in ultrasound are infertility & gynecology, apart from high risk obstetrics. She has presented several papers at prestigious conferences both in India and abroad. She is credited with numerous publications in journals and textbooks of repute.

Dr Nitin Chaubal is the Director of Thane Ultrasound Centre, Mumbai. He is also a visiting faculty at K.E.M. Hospital, and consultant in ultrasound at Jaslok Hospital, Mumbai. He is a Fellow of American Institute of Ultrasound in Medicine, USA; IFUMB; and Indian College of Radiology. His prowess in ultrasound and adaptation to new techniques are well known.

Dr. Srinivasan Radhesh is the Chief Radiologist at Clumax Diagnostic and Research Centre, Bangalore. He is a leading expert in MRI. He has publications in national and international journals and is a commended speaker at conferences and CME programs in India and abroad.

Dr. Jyoti N Chaubal is one of the leading sonologists of Mumbai. She is attached to Thane Ultrasound and Mammography Centre. Her ultrasound acumen portrayed in her lucid presentations makes her an acknowledged speaker at conferences.

Programme

Friday 2nd December 2011 - Workshop

Registration between 8 to 9 AM

Methodology of a Pelvic Scan
Array of Cases
3D in Gynecology - Fundamentals & Hands on
Sono Salpingography - Saline and Contrast Imaging
Quiz the Experts

Saturday 3rd December 2011 - Day 1

Registration between 8 to 8.45 AM

Standard Pelvic Scan – Tips & Tricks
Embryology – Uterus, Tubes & Ovaries
Essentials of MRI in Gynecology
Imaging in Uterine Anomalies – The Way Towards Management
Ultrasound Approach to Primary Amenorrhoea
Ultrasound Assessment in Infertility – Baseline and in Response to Treatment
Spectrum of Fibroids
Management of Fibroids – How Decisive is Ultrasound?
Sonographic Assessment of Adenomyosis
Benign Endometrial Pathology
Endometrial Hyperplasia and Carcinoma Endometrium
Missing IUCD
Vascular Lesions in the Uterus
Integrating MRI in the Evaluation of Uterine Pathology
Quiz

Sunday 4th December 2011 - Day 2

Registration between 8 to 8.30 AM

Cervical Lesions – Benign and Malignant
MRI Correlation – Cervical Cancer
Incidental Finding of Ovarian Cyst– what next?
Sonographic differentiation of Ovarian Tumors – Benign Vs Malignant
Rare Ovarian Tumors
Facets of Endometriosis
Retired Ovaries: Pre and Post Menopause.
Ultrasound Predictors of Polycystic Ovarian Syndrome
Ovarian Torsion: Everything You Need To Know
Ultrasound Manifestation of Pelvic Infections
Pearls and Pitfalls in Sonology of Ectopic Pregnancy
Diagnosis of Adnexal Masses & Uses of Contrast Imaging
MRI in Adnexal Masses
Quiz

OUR TEAM

From the left: | Dr. Thankam S | Dr. Supriya Seshadri | Dr. Prathima Radhakrishnan |
| Dr. Priti Venkatesh | Dr. Akhila Dilip | Dr. Mala Sibal | Dr. Dharani Bai G |

Who should attend?

| | |
|----------------------|---|
| Sonologist | – Reinforce and enhance your skills |
| Gynecologist | – Forum for practical integration of ultrasound and clinical practice |
| Radiologist | – Broaden your horizon |
| Postgraduate Student | – A learning platform |

Delegate Interaction

We request you to send your interesting and puzzling cases before the 20th November 2011, to quiz the experts at the workshop on 2nd December 2011. This is intended to make the workshop truly interactive and remarkable for all of us.

| | Till 10 th November (early) | Till 25 th November (late) | Spot Registration | Post Graduate Student |
|---|---|--|----------------------|---------------------------------|
| Workshop – 2 nd Dec, Friday | ₹ 1200 | ₹ 1500 | Not permitted | Early - ₹ 1200 Late - ₹ 1500 |
| Conf Day 1 3 rd Dec, Saturday | ₹ 1000 | ₹ 1200 | ₹ 1500 | Early - ₹ 800 Late - ₹ 1000 |
| Conf Day 2 4 th Dec, Sunday | ₹ 1000 | ₹ 1200 | ₹ 1500 | Early - ₹ 800 Late - ₹ 1000 |
| Package workshop+ Day 1 & 2 | ₹ 3000 | ₹ 3700 | Not applicable | Early - ₹ 2600 Late - ₹ 3300 |
| Package Day 1 & 2 | ₹ 1800 | ₹ 2200 | Not applicable | Early - ₹ 1400 Late - ₹ 1800 |

Please note:

- Details of conference & updates will also be available on our website **www.manipalhospitals.com**
- Registrations after 25th November is subject to availability. No spot registrations can be availed for workshop.
- Limited number of participants for workshop.
- Post graduate students must furnish a letter of proof from the HOD of their institution

Cancellation policy

Any request for cancellation if received before 1st of December, 20% of the fees will be set aside for administrative needs. The remaining 80% will be refunded after the conference.
