Welcome Message

It gives us great pleasure to welcome you to MUSKCON 2026, the 31st Annual Conference of the Medical Ultrasound Society of Karnataka, scheduled to be held on 21st & 22nd February 2026 at the NIMHANS Convention Centre, Bangalore.

MUSKCON 2026 has been thoughtfully designed to offer a clinically applicable and insightful academic experience. The scientific program features talks on niche emerging topics and focused symposiums.

A key highlight of the conference will be the live demonstration on the fetal skeletal system, following a systematic head-to-foot approach, with emphasis on how to scan, how to measure, and how to interpret findings. Application of 3D ultrasound techniques where indicated will also be demonstrated.

Another live demonstration on obstetric Doppler will cover useful tips and tricks to avoid Doppler artefacts and pitfalls in fetal imaging.

With an esteemed panel of experienced faculty and a program tailored to enhance day-to-day clinical practice, MUSKCON 2026 promises to be an engaging and enriching academic event.

We warmly invite you to join us in Bangalore and be a part of MUSKCON 2026 - a platform for learning, interaction, and excellence in medical ultrasound.
